

Urban Harvest

Hub Distributions:

Urban Harvest has set up six Hub gardens as sites for free materials distribution and education for affiliate gardens.

Hub distributions connect gardens in neighboring communities with one another, as a way to share ideas and resources. This will be our eighth distribution, and we are proud to invite all of our affiliate gardens to participate and receive free materials.

Hub Sites:

Hub 1: Alabama Garden -

2818 Alabama St., Houston, TX 77004

Hub 2: Palm Center Community Garden -

6000 Beeckman St., Houston, TX 77021

Hub 3: Westbury Community Garden -

12581 Dunlap St., Houston, TX 77035

Hub 4: Gregory Lincoln Education Center Garden -

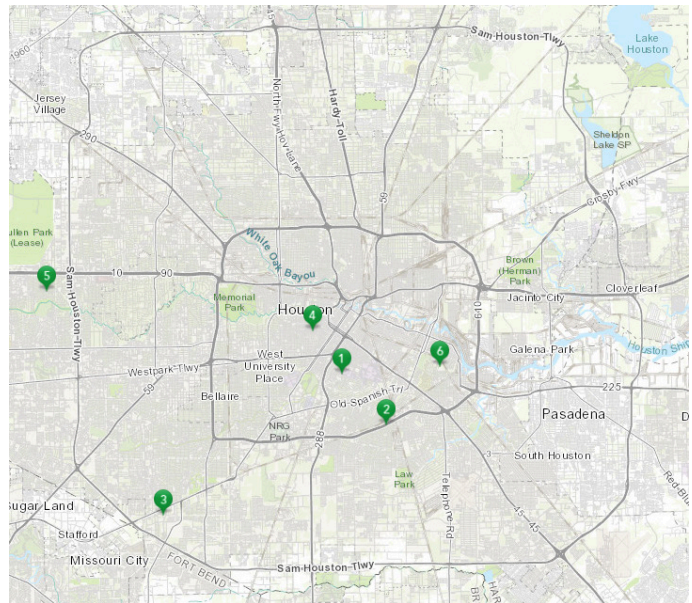

1101 Taft St., Houston, TX 77019

Hub 5: Wilchester Elementary -

13618 St. Mary's Ln., Houston, TX 77079

Hub 6: Gallegos Elementary -

7415 Harrisburg Blvd., Houston, TX 77011

Since launching in 2017, Hub Distributions have provided more than 10,340 transplants and have created the potential for more than 268,000 pounds of organic produce for the Houston region. The majority of these transplants are sourced from local community gardeners and family farms that partner with Urban Harvest across programs.
