

Urban Harvest
Gardening for good.

Urban Harvest Grow from Home Remote Corporate Volunteer Sponsorship

Mission: Urban Harvest is a 501(c)3 nonprofit organization that cultivates thriving communities through gardening and access to healthy, local food.

Partnership Opportunity: At Urban Harvest, we are educating the next generation of gardeners. During these uncertain times, we recognize the need to provide innovative and engaging programming for people to connect with one another, their food sources, and the community-at-large in safe, socially-distant ways. The Grow from Home Program connects wellness, employee engagement, and community outreach through our Grow Kits!

Grow from Home Sponsorship Levels
